"Baby Doe" issue resurfaces in house legislation. Mar-14
Baby Doe litigation pursued by AHA, other groups. May-25
Ethical issues dominate hospital leadership forum. (Kahn) Oct-25
Guides endorsed for treating disabled patients. Jan-21
Health costs, malpractice, bioethics issues highlight public poll. Apr-15
Rationing and the identified life. (Friedman), May-10
Withdrawing life support: a legal assessment and a possible response. (Blum) Apr-17

BLOOD DONOR SYSTEM
Frozen plasma risks cited by NIH panel. Nov-16

CLINICAL PRIVILEGES
How to avoid the interspeciality turf battle trap. (Chenen) Jul-2

COMMITTEES
How to cure stagnating standing committees. (Senior and Kibbee) Jul-22

COMPUTERS
A practical guide to reviewing case mix financial data. (Schumacher) Aug-17

COST CONTAINMENT
The economics of surgical signatures. (Wolfe and Detmer) Oct-2
Five proven ways to come out ahead under DRGs. (Jay) June-26
Measuring cost and quality of care under prospective reimbursement. (Mushlin) Jun-17
Physicians seek to cope with cost-control realities. Aug-15
Physicians' views on cost containment differ from public's. Jul-25
Providers face business of growing private UR. (Richards) Mar-16
Second opinion programs come into their own. (Friedman) Aug-9

CREDENTIALS REVIEW
Credentialing and medical staff membership. (Friedman) Jun-22
Credentialing procedures need attention. Jan-22
DRGs will influence credentialing, cause power shift. (Landgarten) May-18

DIAGNOSIS RELATED GROUPS
DRGs will influence credentialing, cause power shift. (Landgarten) May-18
Five proven ways to come out ahead under DRGs. (Jay) Jun-26
The medical staff role under prospective pricing. (Landgarten) Feb-3
Observations on DRGs and rural referral hospitals. (Ohrt) May-20
Physicians and DRGs: survival under PPS. (Jessee and Suver) Apr-2

DYING PATIENTS
Withdrawing life support: a legal assessment and a possible response. (Blum) Apr-17

EDUCATION
Congress weighs restructured medical education payments. Dec-14
Graduate medical education: where is it heading? (Keenan) July-15
The uncertain future of American teaching hospitals. Dec-9

HEALTH CARE SYSTEM
Is the voluntary medical staff on the way out? (Landgarten) Sep-16
Rationing and the identified life. (Friedman), May-10
Two tiers of care: the unthinkable meets the inevitable. (Friedman) Oct-15

HEALTH EDUCATION
Hospital-physician cooperation in health promotion: The opportunity is there. (Fanucchi) Nov-8

HEALTH MAINTENANCE ORGANIZATION
A decisive decade for HMOs. (Friedman) Apr-23

HEALTH PROMOTION
Physicians and hospital-based health promotion: formalizing the relationship. (Orr and Hauck) Dec-16

INFORMATION SYSTEMS
A practical guide to reviewing case mix financial data. (Schumacher) Aug-17

IN MY VIEW
DRGs will influence credentialing, cause power shift. (Landgarten) May-18
Is the voluntary medical staff on the way out? (Landgarten) Sep-16
Medical Staff News to debut in March. Dec-2

JOINT VENTURES
Competitors become allies in MRI joint venture. (Stuart) Dec-23

LAW
Informed consent: a growing concern for hospitals and medical staffs. (Bernstein) Nov-2
Informed consent: a haunting presence. (Bernstein) Dec-4
Protection from discovery of hospital peer review committee records. (Peterson) Jul-6
Withdrawing life support: a legal assessment and a possible response. (Blum) Apr-17

LEGISLATION
Congress weighs restructured medical education payments. Dec-14

MAGNETIC RESONANCE IMAGING
Competitors become allies in MRI joint venture. (Stuart) Dec-23

MALPRACTICE
Health costs, malpractice, bioethics issues highlight public poll. Apr-15
Medical malpractice bill could reduce defensive medicine. Jun-15
On the present state of medical malpractice. (Richman) Jan-13

Enhancing managerial skills through the leader-match concept. (Hynes and Givner) Feb-14
Medical directors: fewer in number, yet stronger in clout. (Hamity and Lloyd) Aug-20
Medical staff, board, and administration relation-

ships must change. Meighan Oct-9
Partnerships benefit hospitals and medical staffs alike. Nov-23

MEDICAL STAFF
Closed or open medical staff? Consider all the factors. (Wilkinson) Aug-26
Credentialing and medical staff membership. (Friedman) Jun-22
The hospital medical staff of 1994. (Fifer) Jun-2
How medical staffs fare in acquisitions. (Forkosh) Jan-9
Is the voluntary medical staff on the way out? (Landgarten) Sep-16
Medical staff, board, and administration relationships must change. Meighan Oct-9
Medical staff issues dominate AHA interim meeting. Jan-23
The medical staff role under prospective pricing. (Landgarten) Feb-3
Partnerships benefit hospitals and medical staffs alike. Nov-23
State statutes, regs define scope of access to hospitals by nonMD professionals. (Meier) Mar-11
A survey of hospital medical staffs—Part 2. (Morrisey, Shortell, and Noie) Jan-2
What the new JCAH medical staff standard may portend. (Plant) Mar-3

MEDICARE/MEDICAID
PROs pose challenge to physician practice. (Granatir) Nov-17

MULTIHOSPITAL SYSTEMS
MDs and multihospital systems. (Alexander and Cobbs) Jun-8
Physicians offered stock in innovative financing venture. (Mistarz) May-27

PATIENT EDUCATION
Physicians and hospital-based health promotion: formalizing the relationship. (Orr and Hauck) Dec-16

PATIENT RELATIONS
Informed consent: a growing concern for hospitals and medical staffs. (Bernstein) Nov-2
Informed consent: a haunting presence. (Bernstein) Dec-4

PEDIATRAIC CARE
"Baby Doe" issue resurfaces in house legislation. Mar-14
Baby Doe litigation pursued by AHA, other groups. May-25
Guides endorsed for treating disabled patients. Jan-21

PEER REVIEW ORGANIZATIONS
AHA criticizes PRO physician sanction, disclosure provisions. Jul-13
HCFA action threatens PRO implementation schedule. Feb-12
Medical staff issues prevalent in regulations, legislation. Apr-15
PROs pose challenge to physician practice. (Granatir) Nov-17
Protection from discovery of hospital peer review committee records. (Peterson) July-6

PHYSICIAN/HOSPITAL RELATIONS
Hospital-physician cooperation in health promotion: The opportunity is there. (Fanucchi) Nov-8
MDs and multihospital systems. (Alexander and Cobbs) Jun-8
New battles, partnerships emerge for administrators, physicians. (Guncheon) Mar-24
Physician-hospital cooperation is no piece of cake in rural areas. Jul-20
Physicians offered stock in innovative financing venture. (Mistarz) May-27
Supreme Court upholds exclusive contract in *Hyde* antitrust decision. (Reed and Allen) May-2

PHYSICIAN SUPPLY
'I think it will get quite rough.' (Reinhardt interview) Sep-4
Portland, Oregon. Sep-13
The realities of the 'doctor glut.' (Friedman) Sep-2
San Francisco. Sep-10
Study predicts diminished physician role in coming decade. Oct-24
Washington, DC, Sep-7

PREFERRED PROVIDER ORGANIZATIONS
Preferred Provider Organization growth charted. Dec-15

PROSPECTIVE PRICING SYSTEM
Final FY 1985 prospective pricing rules seen as compromise. Oct-23
HHS amends attestation statement under PPS. Jul-14
Measuring cost and quality of care under prospective reimbursement. (Mushlin) Jun-17
The medical staff role under prospective pricing. (Landgarten) Feb-3
Physician reaction to prospective pricing varies. Jan-29
Physicians and DRGs: survival under PPS. (Jessee and Suver) Apr-2

QUALITY ASSURANCE
The medical care committee: clearinghouse for medical staff assurance activities. (Murphy and Ostrowski) Feb-20

RATIONING HEALTH CARE
Ethical issues dominate hospital leadership forum. (Kahn) Oct-25

RECRUITMENT
What medical staffs need to know about recruiting physicians. (Garofolo) Sep-18

RURAL HOSPITALS
Observations on DRGs and rural referral hospitals. (Ohrt) May-20
Physician-hospital cooperation is no piece of cake in rural areas. Jul-20

SKILLED NURSING FACILITIES
HCFA advised to apply multiple visit concept to SNFs, hospitals. Nov-15

SURGERY
The economics of surgical signatures. (Wolfe and Detmer) Oct-2
Second opinion programs come into their own. (Friedman) Aug-9

TECHNOLOGY
Congressional study questions medical technology costs. Sep-25
House committee finds medical technology and procedures overused. May-26

UTILIZATION REVIEW
PROs pose challenge to physician practice. (Granatir) Nov-17
Providers face business of growing private UR. (Richards) Mar-16

WASHINGTON MEMO
AHA criticizes PRO physician sanction, disclosure provisions. Jul-13
"Baby Doe" issue resurfaces in house legislation. Mar-14
Baby Doe litigation pursued by AHA, other groups. May-25
Congressional study questions medical technology costs. Sep-25
Credentialing procedures need attention. Jan-22
Final FY 1985 prospective pricing rules seen as compromise. Oct-23
Frozen plasma risks cited by NIH panel. Nov-16
Guides endorsed for treating disabled patients. Jan-21
HCFA action threatens PRO implementation schedule. Feb-12
HCFA advised to apply multiple visit concept to SNFs, hospitals. Nov-15
Health care antitrust actions expected to increase. Mar-14
Health costs, malpractice, bioethics issues highlight public poll. Apr-15
HHS amends attestation statement under PPS. Jul-14
HHS extends medical student loan collection deadline. Feb-11
HHS report questions physician payment in teaching hospitals. Aug-16
HHS study establishes case-load, patient mortality links. Jun-16
House committee finds medical technology and procedures overused. May-26
Medical malpractice bill could reduce defensive medicine. Jun-15
Medical staff issues prevalent in regulations, legislation. Apr-15
Physicians seek to cope with cost-control realities. Aug-15
Practice styles said to hike costs, patient risks. Sep-26
Study predicts diminished physician role in coming decade. Oct-24

WELLNESS PROGRAMS
Hospital-physician cooperation in health promotion: The opportunity is there. (Fanucchi) Nov-8
Physicians and hospital-based health promotion: formalizing the relationship. (Orr and Hauck) Dec-16
